## Message from Mrs Money

Welcome back to the start of the academic year. I hope that you all had a fabulous Summer and that it isn't too much of a distant memory already!

The start of the term is such a special time as the children return looking so smart and excited to see their friends and teachers. An especially warm welcome to our new children and families who have joined Moles, Hedgehogs and Little Badgers. I am sure that you will agree the new logo uniform which is being phased into school looks very smart too. I have been in contact with Brendas as there has been some feedback from parents that the underneath of the new logos are quite rough. I have been reassured that these soften over time, however in the meantime Brendas have sent some patch packs. These are small linen patches which are ironed to the back of the logos to reduce any rubbing on skin. We have a pile in the school office and they are also available free of charge at the Brendas school wear shop. Can I also remind you that the new back packs are for storing PE kits and that the children require a book bag for school. Please avoid sending any other larger back packs into school as they take up too much space on the peg racks.

The Summer holidays have been very busy in school too. We have had an extensive deep clean, new carpets fitted in Year 2 and the hall, library, den and warren have been redecorated. The library is almost finished and will be re opened very soon.

This term we also welcome some new staff to Sandringham. Mr Cooper is our new Site manager, Mrs Smith and Miss Thomson are new to Woodlands After School Club. Mrs Warner, Mrs Jones, Mrs Burgess and Mrs Raath have joined the Year 2 team and Miss Hardy-Trodd has joined Reception. Their photographs are included and look out for children-staff interviews in upcoming newsletters!

A gentle reminder about dropping your children off in the mornings. If you arrive by car please be mindful of our neighbours and pedestrians. Please do not park on the double yellow lines (unless you are displaying a disabled badge) the zigzags by the school entrance or at corners of adjoining roads. Although I appreciate that mornings are very busy, now is a great time to start leaving your car in the car park in the recreation ground and enjoy walking through the park to school.

This newsletter will be sent out via parent mail every two weeks with the exception of the first one each term which will also be sent home with the children. This is so that you can put it on the fridge and refer to the diary dates for the term.

I look forward to new and continued partnerships with your families throughout this year. Have a wonderful weekend.
