Message from Mrs Money

Life continues to be very busy in school and it is hard to believe that we are only a few weeks away from the half term holidays. Last week we welcomed Grandparents into school to enjoy singing, classroom visits and the school café. This was in recognition of National Grandparents day at the weekend. Not only was this a really special opportunity for Grandparents to visit school but their generosity at the café and raffle resulted in raising a fantastic £500 which we plan to put towards new library furniture. Please extend my thanks to all who attended. Thank you for your donations of cakes for the café and to the PTA for helping to run this lovely event.

Foxes parents joined their children for lunch this week - thank you to Mrs Steggall and her team for treating us all to a delicious roast! We look forward to welcoming Rabbits parents for lunch next week.

This month Hale Primary School joined the KITE Academy Trust. To celebrate this, 2 children from all of the schools came together on Hale school field to fly kites. Thankyou to Louisa Green and Leo Swain for representing Sandringham at this celebration.

This week the whole school took part in a Road Safety Roadshow. The children learnt all about being safe near roads and the green cross code. This show, along with many other fabulous events throughout the year are paid for out of the school fund donation budget. Thank you to those of you who have already paid this annual £20 donation. We are looking forward to the next school fund event in December when we have a pantomime being performed in school. These two events alone are costing £850 so we really do need your support.

On a final note, thank you and well done to all of the Reception children (and parents) who are now managing to come in to school by themselves from the classroom doors. The busy cloakrooms were very overwhelming for many children and we have already noticed that the new system at drop off has resulted in a much more settled and calm start to the morning for both children and adults. We are noticing that many children, across school are becoming very tired as we near the end of the first half term. To help them manage the last few weeks please ensure that they are getting plenty of sleep and have opportunities to rest over the weekend.
