

# Woodlands

Breakfast & After School Club

We hope you are all well and keeping yourself busy with lots of exciting activities.

We thought we would give you an update as to what we had been doing at ASC this term.

We have cooked jam tarts/chocolate cakes/pizza twirls to name a few. Sorry they did not always make it home. The children love eating what they have baked!

We have made valentine crafts/marine & Mothers day jars/painted flowers and made superhero sticks and even made our own assault course and hand/foot twister!

We did try to play outside as much we could weather permitting, which the children loved

## A few things to do

Hi everyone,  
I hope you are enjoying your time at home and finding lots of ways of keeping busy. I have been baking lots and then eating It!! My little dog Bella is enjoying us all being home, but is exhausted from her extra walks.

I'm missing seeing you all at ASC

Love Mrs Wheeler

I have missed you at Breakfast and ASC and hope you are all well and keeping yourselves active.

I have really missed our Yoga in the mornings, so if you want to do it at home it is called 'Cosmic Yoga.' There are plenty to follow on YouTube.

I have been keeping really busy, I have even baked our famous ASC jam tarts! Alfie and I have been out on some lovely walks as well. I even went out on my bike! Erin, my daughter has loved playing games as a family, her favourite is 'Cluedo' which she is really good at!

If you see me out and about, please give me a big wave

Miss you all, Love Mrs B

Hi everyone

We are all missing you at ASC. I have been having lots of fun at home with my little boy Fletcher, he has definitely been keeping me busy!

We have been playing with his toys. His favourite are the Toy Story toys which he likes playing with whilst watching the films. We have been baking cakes and making crafts and learning to write his name (8 letters!)

I hope you are all. Stay safe and keep having lots of fun with your family.

Love Mrs Smith
