

Little Badgers

Nursery Garden Spring Spruce Up

On Saturday morning a group of parents and children joined us and worked sooooo hard to 'spruce up' the nursery garden. We would like to say a **HUGE** thank you to Elise, her brother and mummy, Millie R, her mummy and daddy, Oscar, his sister, mummy and daddy, Samuel's mummy and daddy and Sam with his brother and mummy.

Thank you also to Mrs Diffey, Mrs Johnson and Mrs Roberts for giving up their Saturday morning. The slide equipment, mud kitchen, water station, posts, sandpits, table and benches and floor were jet washed, the beds have been weeded, dug over and repaired, the grass swept and cleared, new bark spread, the quiet area developed and crates lined ready for our seasonal planters to be planted up. Thank you also to Oscar's parents for sourcing and collecting free tyres and logs for us and to Samuel's daddy -who is 'Hoe and Sow' gardening- for sourcing some free slate and donating some plants and board. The garden is looking fantastic!

Upcoming Dates

Friday 24th May
Inset Day - Nursery closed

Thursday 6th June
Individual photographs for Nursery children. Details to follow.

Friday 14th June
9.15am
Father's Day assembly

Tuesday 23rd July
Nursery Family Day
(Please keep this date free! Details to follow)

Please ensure that your child's names is on the outside of their lunchbox and that shoes, wellies and coats are named. It really helps the children to be independent if they wear velcro shoes that they can do up themselves. Could I please remind you that lunchboxes should not have sweets, chocolate or fizzy drinks in them. Thank you.

In preparation for the hot weather please could you provide us with a named suncream/ lotion that can stay at nursery for the summer. Thank you.
