27<sup>th</sup> March 2020

Dear Families,

Thank you for all the positive messages that have been sent into the Trust through various means. We are all working in very different circumstances and things are changing daily we have worked hard to try to keep everyone up to date and it is great that this has been appreciated by our families.

Childcare will remain the same as this week for next week and if you find you have a change in shift etc please use the Tucassi system to book on line for a space. We are accommodating all children and then just varying our staffing as required. We do not want the childcare of your children to be an added worry for you and your family when you are trying to support our community at this time. It has been so positive being a Trust where we have found it possible to adjust staffing in this way. We have also been able to give staff some time supporting their own families. You will receive a letter regarding childcare for keyworkers over the two week Easter break, where we are having SCL running clubs in three of our academies for all key workers. This will include older siblings of our infant aged children at Cross Farm and Sandringham.

If you have any other questions over the coming weeks, please use the email address for the individual academy that you will find on the front page of the school website.

We hope that you and your families are all well and wish you a lovely weekend – let's hope the sun continues to shine.

Yours sincerely

Christine Dickinson
